YOU TOO CAN GIVE BLOOD

EVERY DAY
1,000 DONATIONS ARE NEEDED TO TREAT PATIENTS

donarsang.gencat.cat
YOU TOO CAN GIVE BLOOD

1 IN 10 PEOPLE WILL RECEIVE A BLOOD TRANSFUSION AT SOME TIME IN THEIR LIVES
A donor's BLOOD is separated into 3 parts

1. RED BLOOD CELLS

These are used to treat cancer and in accidents and some operations.

Got 20 minutes?
Come and give blood!
